Message from Thomas Fairhurst LSC Head Coach

"I have thoroughly enjoyed being Head Squash Coach at Leicester Squash and Racketball Club. It has been great to meet so many fantastic people at the club.

I am proud of the progress made in many areas of the club, in particular the progression of the junior section and De Montfort University. The junior section is an important part of the club with lots of enthusiastic juniors playing at the club. Coaching De Montfort University has been great fun with plenty of success on the squash court winning the BUCS league and cup in the 2017/18 season.

I would like to wish the club, the members and the new coach well for the future. I will be keeping an eye on the progression of the club."
