Welcome to the biggest World Masters Squash Champs ever

Final Gala Dinner tickets

There are only a few of these left. You need to buy them from Event Headquarters, Christchurch Squash Club.

Seating for Final Gala Dinner

If you have not booked a specific table for the dinner, you need to do so at Event Headquarters, Christchurch Squash Club.

Event HQ and Squash HQ

There is some confusion with these two HQs. Event HQ is the administration centre for the entire event and that is the Christchurch Squash Club. Squash HQ is a venue at Sockburn.

Event HQ phone number is: 374-6536

Complications with the draw - please note!

The draws have been complicated by several factors.

We have decided that as people have travelled a great distance it was essential we extended the normal playing rules to accommodate people participating in four rounds. This may in some situations mean only three games as you may have a bye. As a result you should be contemplating playing on Thursday, the fourth day of the tournament.

There have been large entries, the largest being 100 players. The main draw is simple. The plates are complicated.

We have had about 20 last-minute withdrawals due to injury, travel etc.

For these reasons you will wonder in some cases where your next game in a plate competition might be, There are three ways of checking this.

- Following your game, look at the draw sheet displayed in the complex you are playing. If still in doubt log on to our web site on the computer supplied at each venue. you can search for your name and the time and place of your next game will show on the relevant draw.
- Or ask the tournament controller.
- If you are not at the club, log onto our website.

In many plates we have (because of the numbers) decided to run round robin competitions to ensure games for players and completion in correct timeframes.

Happy hunting people.

If all else fails ring me.
